

## **EMPLOYMENT OPPORTUNITY REGISTERED NURSE – ROBIN TRUST COMMUNITY CARE @ HOME UNIT**

**Robin Trust** is a Christian based Health service provider, located in the Oude Molen Eco Village, Pinelands, Cape Town, providing sub-acute hospitalisation, frail and dementia (Alzheimer's) residential care, training to both home based carers and nurses as well as community health care services through our "Community care @ home" programme.

We currently have the following vacancy:

### **REGISTERED NURSE – ROBIN TRUST COMMUNITY CARE @ HOME UNIT**

Our Community Care @ Home unit places home based care workers with patients / clients in both private homes and institutions. Reporting to the Community Care @ Home Manager, the RN will implement all unit activities and services.

Key performance areas include:

- Conducting detailed patient assessments either at the patient's home or in a medical facility
- Conducting patient assessments prior to admittance to the Robin Trust Sub Acute facility (in conjunction with medical aid partners and programmes)
- Selecting Care workers for specific patients and ensuring that a full on site orientation is conducted with the Carer Workers at the commencement of the assignment
- Provision of clinical care to patients as required
- Conducting home visits and auditing of client files
- Conducting orientation, training and skills development workshops for Care workers in the community
- Managing conduct and performance issues with panellists as necessary
- Demonstrates due process in panellists' discipline
- Developing appropriate marketing strategies and partnerships for the Community Care @ Home unit
- Overseeing all administrative processes including the issuing of Care workers contracts, verification of timesheet and payments, dealing with medical aids and medical facilities
- Ensuring that quality assessments are completed and that feedback is reviewed, prioritised and actioned as necessary

To be considered for the role you will need:

- To be a registered Nurse with up to date SANC registration and membership
- 3-5 years of clinical practice coupled with relevant community health and managed health care work experience (ICD 10 codes)
- Valid driver's licence and a good geographic knowledge of Cape Town and environs
- Excellent communication skills, both written and verbal
- The ability to function effectively unsupervised and in high pressure environments
- High levels of empathy
- Good staff management experience and team player
- Knowledge of disciplinary procedures, enquiries and grievances.
- The ability to manage administrative responsibilities with the delivery of patient care
- To be a team player

Should you wish to be considered for this role, please submit your CV to [hr@robintrust.com](mailto:hr@robintrust.com) clearly stating the name of the position you are applying for in the subject line.

The closing date for applications will be **30 May 2018**

*Correspondence will only be entered into with those under consideration for the roles.  
Should you not hear back from us within 10 days of the closing date, please consider your application as unsuccessful.*
